

Independent Registered Municipal Advisor (IRMA)

The State of Hawaii (SOH) is aware of the “Municipal Advisor Rule” of the Securities and Exchange Commission (effective July 1, 2014) and the “independent registered municipal advisor exemption” from the definition of “municipal advisor”. By this public posting, the SOH hereby notifies all investment banking firms that it wishes them to continue to provide recommendations on all aspects concerning the issuance of municipal securities and municipal finance products (including the investment of bond proceeds and escrow investments) that are particularized to the specific needs of SOH departments and agencies, including, but not limited to, the following:

Department of Accounting and General Services
Department of Budget and Finance
Department of Business, Economic Development & Tourism
Department of Hawaiian Home Lands
Department of Transportation – Airports, Harbors, and Highways Divisions
University of Hawaii

The SOH is represented by and will rely on the advice of its independent registered municipal advisor, Public Financial Management, Inc., which it retained to, among other things, assist the SOH in evaluating any and all of such recommendations. The personnel of Public Financial Management who will advise the SOH on such recommendations, or who will supervise, direct or manage such personnel on this matter, have represented to the SOH that they have not been associated with an investment banking firm within two years prior to the date of this certificate. This certificate may be relied upon until June 30, 2015.
